Re: Re-opening

We are pleased to announce that we will be offering Virtual Treatment Programming beginning Monday April 19th, 2021. We are also hoping to have in-person programming available soon with a target date of April 19th, 2021. The date for in-person programming is subject to change in accordance with Provincial Health Guidelines and any unforeseen final preparations required. Please continue to check our website for further updates or changes.

Please note, we have updated our referral and registration forms. We ask that you please disregard all previously printed N.A.C.M forms. Only updated referral and registration forms will be accepted. Our new forms can be found on our website at www.nacm.ca under the Programs tab.

The referral forms must be completed in full and submitted with the medical assessment to be considered.

As provincial guidelines are enforced during the global pandemic, there will be new conditions that participants are required to adhere to for admittance into our programming. Please, see the COVID-19 Participant Protocol that will can be found on the website under Programs. This Protocol is applicable to ALL programming at N.A.C.M.

Should there be further inquiries, please feel free to contact me.

Sincerely,

Tina Quesnel
